It has been decided by the Competent Authority that henceforth CAPART will not be implementing the Rural Sanitation Programme, the scheme presently under implementation.

The programme content will be altered on the lines of the Nirmal Gram Abhiyan, which is being implemented through NGOs in selected gram panchayats which are also block headquarters, in five RCs.

This may be brought to the notice of the NGOs while submission of projects. A copy of the model scheme of Nirmal Gram Abhiyan is enclosed for your information.
