No.100-3(79)/2007-CD

17th April, 2008

Circular 7/2008

The undersigned is directed to refer to Circular No.12-10/2006-AED dated March 31, 2006 wherein it was mentioned that all applications will be received till 31st October and thereafter no fresh proposals will be received thereby meaning that the time would be devoted in processing and disposal of cases and issue of sanction orders.

Instances have come to notice whereby HoDs/RR&MCs have been only receiving proposals till October. The processing of the cases starts only after expiry of the stipulated date. This is not in conformity with the objectives of the above circular. It is, therefore, clarified that there is no embargo with regard to examination of proposals received from April till October and in fact these should be examined and disposed of to the extent possible as and when these are received. This is necessary to reduce the pendency of files.

The HoDs and RR&MCs are, therefore, requested to note the above for information and strict compliance.
